Introduction

- We take the pleasure to introduce **INDIAN LOGISTICS** as one of India's leading transport and logistics solutions company, completely focused on providing high quality end-to-end logistics solutions to corporate customers as well as individuals.
- With a combination of expert professionals, we are committed to give reliable and on-time delivery services. We specialize in **FTL** (Full Truck Load) & **ODC**.
- Our area of expertise is in **Road Transportation**. We always aim to give our clients uncompromised and fast delivery service thereby providing them with all the necessary information and support 24x7, to transport their goods from one place to another without compromising on safety and quick delivery.
- We believe that no company is too big or too small. Hence, with our industry expertise and hard-working team, we can offer and deliver any kind of Tailored Solutions & Logistic needs. At **INDIAN LOGISTICS**, it is our aim to provide every customer with tailor-made operations.

- 
- 
- Company was established in 2011 with a dream to be a preferred logistics partner of all the major companies PAN India. Mr. MANJEET SANDHU, Partner at Indian Logistics started with a single truck taking a vision to build the national wide transport & logistics company. Over the years, the Company has grown in leaps and bounds and created its place as one of the reputed logistics and transport solution provider. Within a short span of time, we have emerged as the one of largest fleet owner of commercial vehicles in India's private sector with its own fleets of 170+ vehicles and 300+ attached vehicles managed by us.
 - In a span of 20 years, we have consistently explored various ways to bring premium value to the customer, always setting benchmarks in quality of service and customer satisfaction. With a dedicated group of employees and associates, we are committed to provide valuable and satisfactory services to our clients.
 - Clients such as MUMBAI METRO, SME ENERGY SOLUTIONS PVT LTD, SEA WAVE LOGISTICS PVT LTD, TATA CONSTRUCTION, SS COMPANY, BM ENTERPRISES etc. are a great testimony to our services.

VISION

To be India's leading and most preferred logistics & transportation service provider by providing high quality and reliable services.

MISSION

To serve our customers by providing creative, cost effective services, that continuously delights and exceeds our customer's expectations. Thus, enhancing stakeholder profitability

- Door-to-door shipments across all continents
- Dedicated vehicle for point-to-point.
- Direct, Safe and Secure movement.
- Fastest Transit time in the Industry.

ODC CONSIGNMENT

An Over Dimensional Consignment (ODC) is a cargo where the length, breadth or height is more than the standard container dimension (20 ft, 40 ft, 45 ft, high cube, Reefer). We specialize in ODC consignment from any part of the Country. Our ODC division are well organized and equipped for carrying heavy, bulky and over dimensional packages through our vast network for long distances.

Our unique experience in this area allows us to develop a comprehensive strategy that takes into consideration every facet of the project, from freight evaluation and carrier selection, to site surveys and route clearances. This results in considerable savings in both time and money for our clients and the avoidance of costly mistakes.

We offer our customers a broad range of freight management and customized logistics solutions. Our services are backed by an extensive network, a team of local experts, and dedicated customer service. We strive to meet our clients needs and fulfil them with utmost honesty and reliability.

We believe in ethical logistics and transparency.
